PRESENTS:

THE CRUSADERS OF NINETEEN FORTY

TO ALL STUDENTS

We, the Crusaders of 1940, present this, the ninth volume of the Cathedral year book. We have selected for its theme the "Crusader" with his ideal and ambitions.

In the days of old the Crusaders set out to combat the infidels for the possession of the Holy Land and to regain for Christianity the places made holy by the life of Christ. They sacrificed everything for their ideals and belief of right.

In this present day the word, "Crusader", has taken on a new and slightly different meaning. It has come to be associated with the combat against irreligion, immorality and ignorance in this world. The Crusader of today, with the odds so great against him, cannot successfully carry out this fight without the religious help available at the Catholic High School.

Thus, although imitating the Crusaders, we have selected a different course of training for this work. This book is a brief, incomplete glimpse into the activities surrounding this training.

OUR BOOK HONORS

With the deepest respect and utmost regard, we, the Seniors of 1940, humbly dedicate this volume of the Crusader to our Principal, Brother Wilfrid P. Moran, on the completion of his third year as principal at Cathedral High.

Cathedral has progressed under his directorship. The enrollment has increased from 150 to over 200, creating a serious problem in management. He is now working with Monsignor Mueller planning the new improvements for Cathedral. He served as moderator of the Immaculate Conception Sodality and often aided the sodalists in the solution of their problems. It was during his regime that the school paper "The Crusader" was established as a student publication. He also was instrumental in reviving the Mothers Club, as an integral part of the school's activities.

With three successful years at Cathedral behind him, we hope that he may be appointed as principal for another term and realize a continuance of his successes.

BROTHER WILFRID P. MORAN, S.M., PH.D.

RIGHT REVEREND MONSIGNOR JOSEPH M. MUELLER

Reime Photo.

We, the Seniors of 1940, are deeply indebted to our beloved spiritual director, Rt. Rev. Monsignor Joseph M. Mueller for the religious inspiration, guidance, and leadership he has given us in the past and which he will continue to give in the future.

For the past four years we have looked upon Monsignor Mueller as our friend. We have followed him to our best ability, and we have tried to cooperate with him as closely as possible.

In the present drive for funds for an addition to the high school, we wish him God's blessing and a successful campaign that soon the students of Cathedral High School will enjoy the opportunity to attend a more fully equipped high school.

THE MOST REVEREND HENRY ALTHOFF D. D.

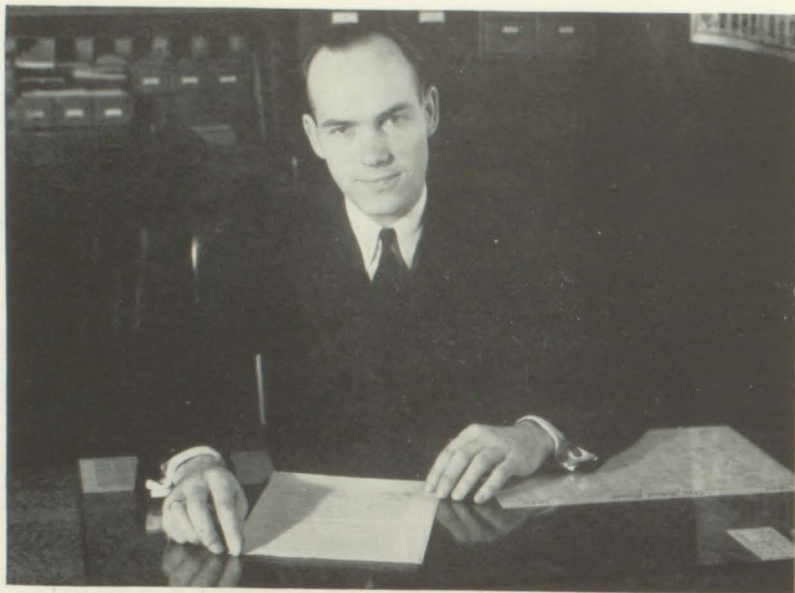

The Crusader pauses here to express its gratitude to His Excellency, the Most Reverend Henry Althoff, D. D., Bishop of Belleville for the active interest that he has taken in Catholic education. This interest is shown in the scholarships and scholastic awards which he gives each year. Among these are the scholarships to St. Henry's College and the Bishop Althoff Oratorical Medal.

His Excellency, who has just celebrated his Silver Jubilee, is widely known for his efforts on behalf of Christian education. Recognition was made of his activities in favor of so worthy a cause when he was named an Assistant at the Pontifical Throne and a member of the Papal Household by His Holiness Pope Pius XII.

The Crusader salutes his Excellency who has done so much for Catholic education and whose efforts have made possible such institutions as the Cathedral High School.

MESSAGE OF THE PRINCIPAL

BROTHER WILFRID P. MORAN, S.M., Ph.D.

Reime Photo.

Our sincerest congratulations to you, Graduate Crusaders of 1940.

You are now on the threshold of a new Crusade, a Crusade for which you have been preparing these four years. During this period of formation you have been training for careers of various kinds, careers suited to your particular ability and ambition.

Though your various ambitions may differ in most respects, you should present a united front in one ideal, the great ideal which should give direction to your life endeavors, the spread of the doctrine of Christ throughout the world.

The method you will use for this propagation will vary. Some of you will no doubt choose the more specialized method of working by direct contact with souls, in the special service of Our Lord and His Blessed Mother. For the majority of you, your work, though less specialized will be no less direct and certainly no less important. Your Crusade is to spread the doctrine of Christ through your work in the ranks of the Catholic laymen. You should, by your zeal and your deeds, show your fellowmen the way. You can, by your truly Christian example, reach and influence souls who would be unmoved by the approaches of the clergy.

Your Crusade is therefore clearly mapped out for you. You are to be promoters of the Christian doctrine which you have imbibed during your years of study in Catholic grade schools and at the Cathedral High School.

May success attend your efforts.

W.P. Moran S.M.

A BRIEF HISTORY OF THE ACTIVITIES
OF THOSE WHO ARE TO CARRY ON
THE CRUSADE FOR THE NEXT YEAR

KENNETH KAIN
Prefect

T H E J U N I O R S

Scholastically, spiritually, and in extra-curricular activities the forty-five students comprising the Junior class were among the outstanding of the school.

Our Sodality was one of the most active of the school. Kenneth Kain was prefect; Fritz May, secretary; Bernard Boskamp, Catholic Action chairman; Richard Wuller, Eucharistic chairman, and Bob Huber was Mission chairman. Under the guidance of these leaders the spiritual tempo of the class was kept at a high level.

Thirteen of the class attained to the honor roll, with Richard Wuller and Kenneth Kain making highest honors throughout the year. Carl Karfs was also an honor student for the entire year. Others made it for one or more terms.

In the other activities of the school, the juniors also played an important part. Charles Weygandt and Cletus Wittenauer competed in the Senior Oratory contest. The debate squade was strengthened by the presence of John Homrighausen, Richard Wuller and Peter Grewach. Ted Gundlach, Norman Hoff, Wittenauer, Homrighausen, Kain, Wuller and Hausmann were faithful workers on the paper staff.

In the sale of tickets, paper drives and ad drives, although we did not lead, we gave our full cooperation, and juniors were among the leaders.

As seniors and titular leaders of the school next year, we hope to do as well, and even improve our record.

Sophomore "A" determined at the beginning of the year to take part in all activities. Cyril Grimmer, Cletus Schaefer, Ray Schilling and John Quirin made the honor roll for the year.

Charles Glauber represented our class in the Elocution contest, and Leander Reinhardt took part in the Freshmen-Sophomore Oratory.

Sodality activities were ably conducted by our prefects: Ray Schilling for the first semester, and by Clarence Vollmer for the second semester. They were assisted by very capable associates.

James Schmidt and Harold Schoen were Spirit Banner Representatives and took care of all returns in various drives. We did not win any drives but nevertheless took an active part in them.

Frank Wuller led our class in the fall paper drive and Harold Schoen in the spring paper drive.

Our class is represented in the band by Melvin Baechle, Clarence Vollmer and Harold Schoen.

Among the athletes we are represented by Russell Hoff, Norman Simpson, Cy Grimmer, Frank Hoffmann, Cletus Schaefer and Emil Beyer.

The Sophomore "B" Class of this period has been noted for its excellent achievements in all school activities. Our teacher, Brother Raymond Witte, has ably led us in all our endeavors. Twelve have attained the Honor Roll and two, Robert Edlich and William Miller, are tied for supremacy of the school with 96½%.

Our sodality can boast that it continually had something new to report at all the general meetings with the exception of one. The class was spiritually guided by our class officers, namely: Robert Edlich, Bill Braun, Robert Baechle, Fred Jaeckel and Joe Marsh. We have led the school in reception of Communions, attendance at services and the like.

The active cooperation of all members of our class was responsible for our gaining six spirit banners in the school drives. The school leaders in the main drives could generally be found in our room. Except for several holdouts we have constantly gone into the annual drives as a united class.

To top off our report, we may say that the different sports always had the support of many Sophomore "B" youths. Bill Nebgen and others did well in football, while in basketball, baseball and intramurals ours were constantly filling the ranks. Thus may we boast of having tried faithfully to accomplish our part in the activities of the school.

During the past school year Freshman "A" has taken part in the intellectual, athletic and social activities of the school.

At the election of the sodality officers, Irwin Reeb was chosen as prefect of the class.

One member of the class, Paul Heman, made the honor roll for the entire year. Leo Lugge also made the honor roll through the course of the year.

During the fall paper drive, Mel Buentgen, Myron Biehl and William Flach came in at the head of the class with more than 1000 pounds of paper each.

In the spring drive the class led the school in bringing in the most paper Frank Dekum ranked third highest in the school.

When the football season came, Ed. Schoen and Mel Dashner made the "B" team. Dashner was also in one or the other varsity game.

During the basketball season, Milton Jorn, Ed Forness and Al Tylka made the "B" teams. They all took part in the games. Many boys from 1A played in the intra-mural games.

Al Tylka took the championship of Freshman "A" in the Ping-Pong tournament.

The boxing tournament that followed brought a medal to William Young, runner-up for the Freshman-Sophomore championship, and to Angelus Zipfel, winner in the 110-pound consolation bracket.

We began the year with 32 students and have 30 at present. We hope that we will all be together for another even more successful year as sophomores.

The Freshman B Class started school in September in fine spirit, both toward lessons and toward the general activities of the school. We still have this spirit and are accomplishing things as if we were veterans of high school.

Eleven members of the class made the Honor Roll: Dennis Griffin, James Wuller, Richard Cadmus, Thomas Wuller, John Gundlach, Edmund Matychowiak, Jerry Poniske, James Wilson, Donald Wuller, James Voellinger, and Carl Becherer. We were represented in the finals of the Elocution contest by James Wilson, Thomas Beattie, Carl Becherer and Kenneth Kronenberger. James Wilson won the Alumni Elocution medal for his fine work in this art. Dennis Griffin was our only orator in the newly formed Oratory League.

With the guidance of Prefects, Joseph Fenoughty for the first semester, and James Wuller for the second semester, and the other able officers, the activities of the Sodality were well conducted.

We were very happy when we won the first drive of the year, receiving a spirit banner for the sale of Dupo tickets. Then we won two sodality spirit banners, causing us to rank third in the number of points obtained in all drives.

In Athletics our class was well represented in intramural sports by James Wuller, Thomas Wuller, Jerry Poniske, Roger Forness, Leon Mueller, Dennis Griffin, Joe Fenoughty, John Gundlach, Carl Becherer, and Cletus Idoux. Joe Mueller won a minor letter for playing football on the Junior Varsity.

Five students are members of the band. They are: Thomas Wuller, Carl Becherer, James Wilson, Jerry Poniske, and James Voellinger.

We will always think of our splendid times that we had while we were Freshmen, and even if some of us did not do so well the first year, we can sincerely say that we tried our best.

S O D A L I T Y A C T I V I T I E S

The Immaculate Conception Sodality continued to care for the spiritual needs of the students during the school year of 1939-40. In the first semester the sodality was headed by Art Koch, and in the second by the Marian chairman, Norman Lanter. The other officers were: Emil Kohl, Mission chairman; Art Kohl, Eucharistic chairman; Jack Downey, Catholic Action chairman.

The outstanding activity of the sodality was the lewd literature drive. With frequent reception of Communion as their chief weapon, the Crusaders waged war on all forms of salacious literature. Every student pledged himself to remove this acquaintances.

The annual retreat was preached by Father John Leies, S.M., on the 5th, 6th and 7th of December in preparation for the feast of the Immaculate Conception. The climax of this retreat was reached when over 60 freshmen were received into the Sodality on the eve of the feast. It was concluded by a general Communion and breakfast held the following morning.

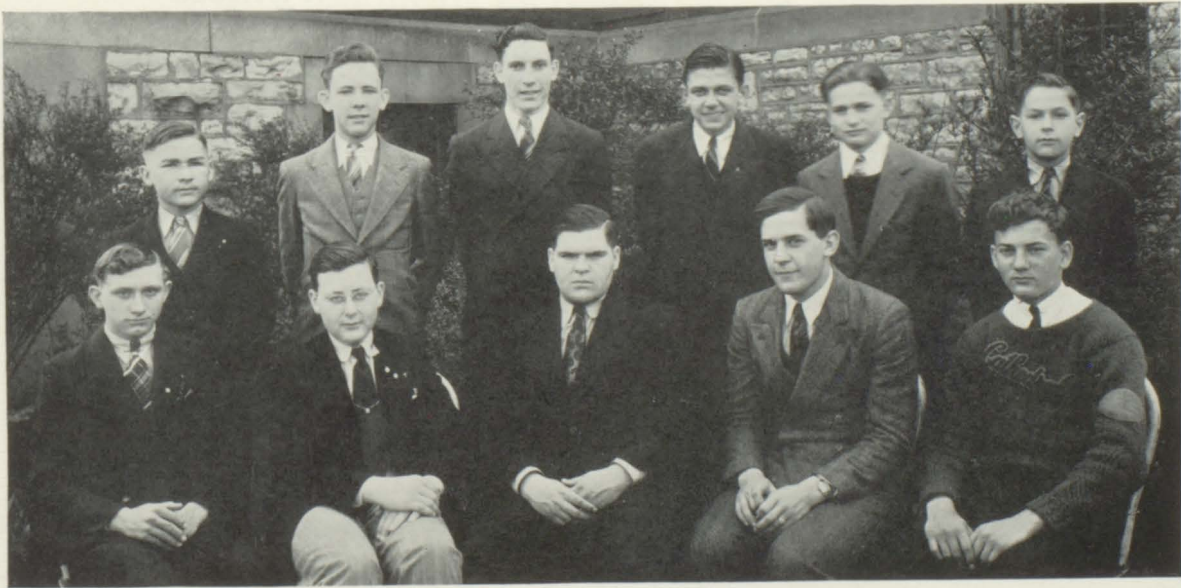

The Sodality, as in previous years, sponsored the semi-annual paper drive, and the annual food, bundle, and Christmas card drives. This year's paper drives surpassed all previous records in the amount of paper brought in and the number of participants. Although the Christmas card drive fell slightly below the former marks, the food and bundle drive more than compensated for the difference.

CENTRAL COMMITTEE

The work of the general Sodality was supplemented by the Central Committee. This committee was composed of senior officers, class prefects and parish representatives. They convened bi-monthly in preparation for the general Sodality meeting, and discussed the questions and problems brought up in the general meeting.

The class prefects were: James Wuller, Freshman B; I. Reeb, Freshman A; C. Vollmer, Sophomore A; R. Edlich, Sophomore B, and Kenneth Kain, Junior.

The purpose of the Parish Committee was to keep the pastors informed of the activities taking place at the school, and to associate the parishes more closely with the school activities. It was headed by Art Fournie, from the Cathedral parish, active chairman, and included: K. Kain, St. Mary's; N. Lanter, St. Luke's; J. Schindler, St. Theresa's; J. Downey, Blessed Sacrament; A. Karfs, St. Henry's, and G. Dashner, representing the out of town parishes.

DEBATE

The Cathedral debating team, under the direction of Bro. James McMenamy, S.M., competed in three leagues this season: The Catholic Inter-Scholastic League composed of schools from Greater St. Louis, Marianistic League, schools taught by Brothers of Mary, and St. Clair County League, schools from St. Clair County. Cathedral teams finished first in Marianistic League and second in St. Clair County League.

The first Catholic High School invitational debating tournament in Illinois was held at Cathedral March 31. Four schools competed—Cathedral, Central, St. Theresa's, and Quincy Academy. Cathedral finished second, with St. Theresa's first.

This year's question in debating was, 'Resolved, That the Federal Government should own and operate the railroads.' The affirmative side of the question was upheld by J. Downey, Richard Wuller, J. Homrighausen, and the negative by A. Fournie, P. Grewach, J. Leahy. The season was split with seven wins and seven losses.

ORATORY

ELOCUTION

Under the careful guidance of Brother Eugene Janson, Oratory was expanded at Cathedral this year. In addition to the juniors and seniors Oratory league, a Freshman and Sophomore League was organized and sponsored by Western Catholic Union with Brother Eugene Janson, S.M., as president.

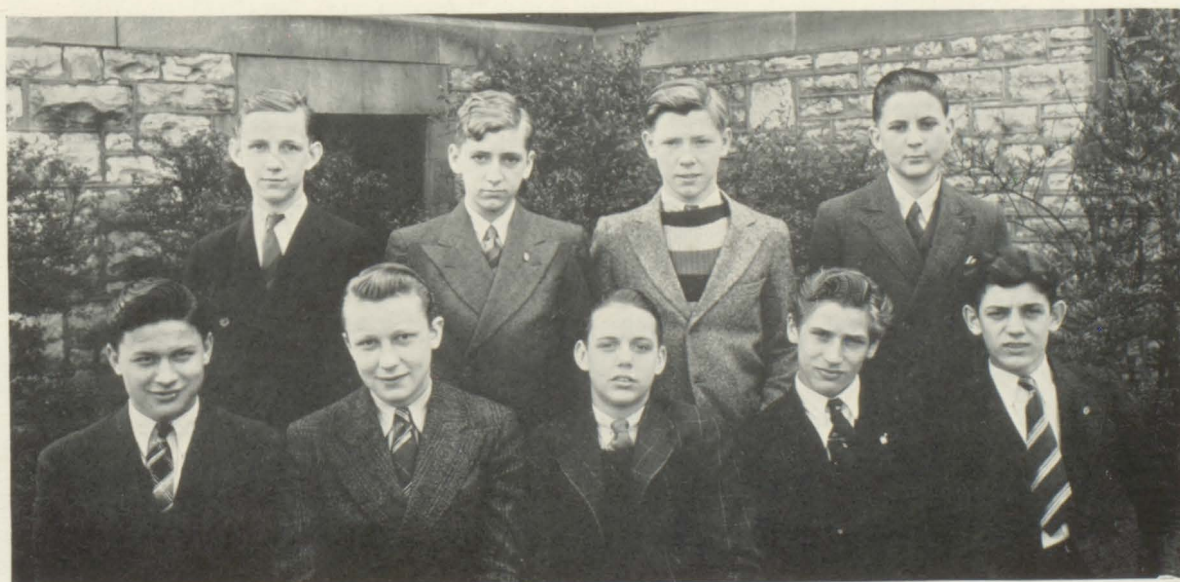

The medal given by his Excellency, Bishop Henry Althoff, for the Senior and Junior oratory held on March 26, was won by Jack Downey, a Senior. Other contestants were: C. Wittenauer, C. Weygant, both Juniors. Downey then participated in the Marianist contest sponsored by Western Catholic Union on April 23, in St. Louis. He lost out to the representative of Central of East S. Louis.

The Freshman-Sophomore oratory medal given by Western Catholic Union was won by K. Lanter, a Sophomore. Other participants were: D. Giffin and L. Reinhardt.

The freshmen and sophomores competed in elocution for a medal presented by the Alumni Association. Those who survived the first elimination were: J. Wilson, T. Beattie, R. Baechle, C. Glauber, K. Kronenberger and C. Becherer.

The winner was J. Wilson in this sixth annual contest. About 25 boys participated in this contest.

CATHEDRAL HIGH SCHOOL

MOTHERS CLUB

TOP: Mrs. Beno Gundlach and Mrs. Arthur Fournie.

BOTTOM: Mrs. Paul Wuller and Mrs. R. Costello.

A long-felt need was filled at Cathedral when the new Mothers' Club was organized early last year. Mrs. Arthur Fournie was made president; Mrs. R. E. Costello, vice president; Mrs. Beno Gundlach, secretary, and Mrs. Paul Wuller, treasurer.

The club has a two-fold purpose: to create a better understanding between the faculty and the mothers of the boys they teach, and to work for the physical and social well-being of the boys of Cathedral.

Hence, each month they meet to talk over, with the teachers, any particular problems their boys may have, and to discuss projects for the good of the school.

In order to finance the projects they have in mind, they sponsored a movie at the Ritz and Rex theatres and relieved the emptiness of their treasury.

In the short time of their organization they have shown that they can be a great power for good. All wish them much success for the future.

At the last meeting of the year, Mrs. Paul Becherer replaced Mrs. Fournie as president, and Mrs. Frank Dahm was made vice president in place of Mrs. Costello.

CATHEDRAL ALUMNI

BERNARD GRIESEDIECK
Vice-President

In March, the Alumni Association elected new officers. Paul Schwemmer took over Leslie Schrader's duties as President; Bernard Griesedieck succeeded Robert Wuller as Vice-President; Charles Wuller took Raymond Schoenborn's place as Secretary; and Frederick Koenig replaced George Renner as Treasurer.

This year, for the fifth consecutive year, the Alumni Association donated a medal for the Alumni Elocution Contest.

As a feature of their last meeting, the Alumni staged a ping-pong tournament. The members of the Alumni and the faculty were the participants. Leland Schmidt was the Champion. In order to promote more athletic activities for the members, the Alumni hope to start a basketball league next year.

On May 19, the annual athletic Banquet took place at Hotel Belleville. The lettermen of the football, basketball, and baseball teams were guests.

The initiation of the present Seniors will take place sometime in June.

CATHEDRAL MUSIC MAKERS

During the past year the Cathedral High School Band has met with great success under Professor B. L. Miller as director and Brother Eugene Janson as faculty Moderator.

In 1936 Professor Miller took over the leadership of the band and from that time on he has made great improvements. Before this time the directors would not attempt such difficult compositions as Schubert's "Unfinished Symphony" and Tschaikowsky's "Italian Caprice," which now the band renders very fluently.

At the beginning of the school year, when the band was organized, Professor Miller was faced with the problem of supplying horns to round out the band. Realizing that this was the most important instrument in the group, Professor Miller secured two horns to distribute intrumenation more evenly.

During the course of the year, besides the two concerts, the band was called upon to perform at dramatic performances, the annual elocution and oratory contest, football games, parades, school assemblies, and various other occasions.

BROTHER DAN
Athletic Director

CRUSADER ATHLETIC STAFF

BROTHER LEO
Coach

The members of the Athletic Staff of the Crusaders of Cathedral High well deserve the praises of all.

Brother Dan made his debut as athletic director and his work was outstanding. He organized six-man football, parochial school basketball, and six-man softball. In union with the Knights of Columbus, Brother Dan staged a parochial school tournament in the beginning of February. Because of his efforts the football team will next year sport new uniforms.

Brother Dan was ably assisted by Brother Leo Rothermich, who resumed the coaching duties at Cathedral after some years' absence. Under his guiding hand the Crusader teams were a worthy representation.

Boxing made its first appearance at the school and Brother Ray Witte, with the help of Elmer McCarron, staged the first high school boxing tournament in the city.

Our faithful physician, Dr. Heiligenstein, had a busy year caring for the injured, and conducting the physical examinations required by the school.

FOOTBALL

Cathedral entered the 1939 football season with the loss of seven regulars. Although thus handicapped the Crusaders presented a very spirited team. Their record for the season was three victories, one tie and four defeats.

DUPO. Expected to lose, Cathedral showed much drive and, although making many fumbles, held the Dupo eleven to a 6-6 tie.

HANNIBAL. With the aid of six completed out of nine attempted passes, Cathedral gained a well earned 13-12 victory over the more experienced and heavier Hannibal team.

CHESTER. The Crusaders were bested by the Chester eleven, who gained many yards on reverse spinners. Chester had ten regulars from last year's squad plus a twenty-pound per man weight advantage. The score was 28-0.

CHAMINADE. The Crusaders met with their second defeat at the hands of a heavier Chaminade team, 8-0. The Crusaders showed their usual fight and spirit.

MARQUETTE. Hindered by several penalties, coming at opportune times, the Crusaders went down to defeat to the much heavier and experienced Marquette team.

DUPO. In a return game at Dupo, Cathedral played real football and beat Dupo, 13-6. Dupo's score came when the whole Crusader team consisted of subs.

BELLEVILLE TOWNSHIP: Outweighed 22 pounds per man, Cathedral suffered defeat, 20-0. Although not noticeable by the score, the Township team had difficulty in scoring against the fighting Cathedral team.

CENTRAL CATHOLIC. The sweetest victory of the season was had at the expense of the fighting Irish, 12-6. Good blocking, together with hard running, characterized the play of the Cathedral team. This was the final game of the season. In this game J. Schmidt suffered a dislocated shoulder and a broken arm.

These veterans will be missed next year: Co-Captains Art Fournie and Rollie Nebgen, Bill Grandcolas, Norman Lanter, LaVern Beyer, Harold Biebel, George Nebgen, Clarence Reeb, Jimmy Schoen, Art Minor, Jerry Leahy, and Art Kohl, manager.

BASKETBALL

The Crusader Basketball squad proved a bit weak the last season because of inexperience. Only one trophy was attained, and that in a tournament at Jacksonville, Illinois, for second place in the consolation round.

The city championship was, however, a close series. The first of the two games was won by the Townshippers by the very close margin of 21 to 18. The second tilt was also in favor of the opponents by a score of 19 to 13.

The ever-fighting Crusaders participated also in a tournament for State Catholic High School teams at Springfield, Illinois. With a victory in the first round over the strong Quincy aggregation, the Crusaders became too confident and lost their second battle with Peoria High by a score of 26 to 16.

Of their other games, Cathedral won 8 and lost 14. Though not announced as the squad captain, Arthur Koch, undertook the position as a member of the team for four years.

The regular squad members were: Art Koch at the center post; Paul Lugge and George Funsch took over the guard positions; and Edward Wuller and Bill Luby were stationed at forward. The reserves were: Williard Conrath, Jack Downey, Fritz May, Paul Becherer, Oscar Joffray, Dick Wuller and Bill Gain.

It is encouraging to note that most of the players are Juniors who will be in the lineup next year, and should be the nucleus of a great team.

FIRST ROW: Lugge, W. Conrath, Capt. Art Koch, Ed Wuller, Bill Luby.

SECOND ROW: Brother Leo Rothermich (coach), O. Joffray, G. Funsch, F. May, J. Downey, Brother Dan Rabitt (athletic director).

TOP ROWS Ray Bauer (manager), L. Grandcolas, W. Gain, B. Boskamp, W. Costello, K. Juen, R. Wuller, A. Kohl (manager). P. Becherer was absent when the picture was taken.

FIRST ROW: Cyril Grimmer, Frank Hoffman, John Lubus, Arthur Kohl (student manager), Joseph Grimmer, Norman Simpson, Robert Voellinger.

SECOND ROW: James Schmidt, Calvin Truttmann, George Nebgen, Arthur Koch (captain), Cletus Wittenauer, Robert Huber, William Nebgen.

THIRD ROW: Aloysius Karfs (student manager), Bro. Leo Rothermich (coach), Paul Lugge, Frederick May, Oscar Joffray, William Grandcolas, Russell Hoff, Leon Grandcolas, Bro. Dan Rabitt (athletic director), Paul Bertelsman (student manager).

BASEBALL

The baseball team got off to a slow start this season, in more ways than one. The spring rains caused the postponement of the early games, and the team failed to click in the first six games and lost. First defeats were at the hands of the two prep league teams, McBride and C.B.C. Then they lost to the Ill.-Mo. League members, St. Peter's, St. John's and Chaminade. They also lost to Township in the first city series games.

They came out of their slump with a smashing 13-2 victory over Marquette of Alton, and a one-hit game by Koch against Chaminade. The boys showed hitting power in these two games, and, with a little luck, can break even for the season.

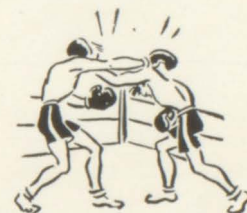

Inexperience could account for the lack of success in the first games, for there were only four major lettermen back from last year: Art Koch, Fritz May, Paul Lugge, and George Nebgen. Other regulars on the team are: Cletus Wittenauer, Jimmy Schmidt, George Funsch, Cal Truttmann, Oscar Joffray, Bob Huber, and Norman Hoff.

INTRAMURALS

To introduce the future Crusaders to Cathedral High School, and to train students for future Cathedral teams,—Six Man Football was organized. Two leagues were formed, the Bruisers and Huskies. In the Bruiser division, all boys were eligible to play who weighed at least 115 pounds. The Sophomores were too strong for the Freshman, Juniors and Seniors in this division and thereby claimed the Bruiser title. The Huskies division consisted of all boys weighing less than 125 pounds. The Freshman and Cathedral 8th grade were declared Co-Champions after the two teams played in two play-offs that ended in ties. Sophomores and St. Luke's 8th grade also played in the league.

The first High School Boxing Tournament in Southern Illinois was held at Cathedral High in March of this year. It was managed very capably by Brother Raymond Witte and Mr. Elmer McCarron. On the night of April 5, eleven boys won championships. Wm. Nebgen won in the 150 pound division, when he outboxed the favorite, Norm Lanter. Bill Costello is heavyweight champ. Other champions are: D. Lauer, R. Wuller, G. Blaes, J. Grimmer, E. Beyer, J. Poniske, Wm. Braun, J. Wilson, J. Fenoughty. A. Kohl won over A. Karfs in the first bout of the Tournament, and is Student Manager Champion. Fifty-one boys were entered in the tournament.

In the middle of spring, seventy-five boys are playing on eight softball teams. To give the lower classes a chance, two leagues were formed. Sophomore B leads the lower class league with three victories, followed by Sophomore A and Frosh A, with a victory and a loss each, while Frosh B has two defeats. A new game of softball is being played by the Juniors and Seniors, called Six Man Softball. Both classes enter two teams each to give more competition. Senior B is leading the league with two victories, followed by Senior A and Junior B with a win and loss each, while Junior A has two defeats.

In early Spring, a Ping Pong Tournament was organized in all classes in the school. Each class held elimination rounds to determine the champ of their class. A. Tylka is Frosh A titleholder. J. Wuller, of Frosh B; F. Wuller, of Sophomore A; W. Miller of Sophomore B; P. Lügge of the Juniors, and E. Wuller of the Seniors. E. Wuller retained his Ping Pong championship of the school.

THE CRUSADERS' WORK FOR THE SCHOOL

OTHER ACTIVITIES

Besides the sports and speaking activities, the Crusaders also conduct various drives, the success of which depended on the good will of the students.

The events which met with the greatest success are the two paper drives—one in the fall, the other in the spring. Outstanding in these drives were J. Schindler, senior; P. Lugge, junior, and W. Braun, sophomore. The money obtained from these drives is used to pay the way of Cathedral boys through Maryhurst.

A Penny Donation was conducted this year in order to buy football uniforms for the team. R. Nebgen led all the rest of the students in the number of cards sold. Ben Wuebbels, close behind, was in turn followed by Tom Beattie. The last two mentioned are a sophomore and freshman respectively.

The annual Food and Bundle drive was as usual a grand success and through it many persons were made happy at Christmas time. No awards were given but the boys cooperated wholeheartedly.

Perhaps the most popular drive of all is the ad drive for the annual. The boys are given a 10% commission for securing the ads for the senior issue.

It is by means of these activities that many things are done for Cathedral that otherwise could not be accomplished.
